

# YOUR SUPPORT BENEFITS RHODES STATE STUDENTS

*I want to thank you for your support and generosity. Through this, I will be able to accomplish my career goals. I would not have the same access to such an amazing education that provides great opportunities for learning and growth if it were not for you. Becoming a nurse, I will have a positive impact in my community. Receiving this scholarship means so much to me and makes me confident that someone sees what I am doing academically and wants to help me succeed. Thank you for believing in me.*

*I am very excited to be selected as a Rhodes State Scholarship recipient. Thank you for your generosity. I will forever be thankful for getting this scholarship to help pay for my schooling. As a mother of 3 kids, I'm going back to school to better our future and to show my children you can achieve anything you put your mind to. As I complete my education in Respiratory Therapy, I'll be thankful and always reminded of this generous gift. Thank you for making this possible.*
