

OATYC Annual Conference

Friday, October 11

2024

Rhodes State College

Call for Proposals

Accepted through April 14, 2024

The 2024 annual conference of the Ohio Association of Two-Year Colleges invites educators to learn how to Rocket Education for their students, institutions, and communities. Now, more than ever, two-year educators must be prepared to **ignite student learning so that they can**

Launch their careers and Soar into their respective futures.

ROCKET EDUCATION

YOUR MISSION:

You are invited to submit proposals for panel sessions, presentations, and poster sessions that align with the 2024 conference theme of **Rocket Education: Ignite, Launch, Soar.**

Consider the following questions as you prepare your proposal for take-off:

IGNITE

1. How do you ignite student motivation in the classroom, especially in areas which are traditionally considered to be difficult or less than exciting?
2. What tools (e.g., artificial intelligence) and other technologies are you using in the classroom to engage students from various generations in active learning and participation?

LAUNCH

1. How have new academic programs or initiatives impacted student learning at your institution?
2. What student support service initiatives have helped students to be more successful, both on and off campus?

SOAR

1. How do you help students to soar into their respective fields? (Note: collaborations with student presenters are welcome)

Submit proposals to OATYC2024@rhodesstate.edu by 11:59 p.m. on Monday, April 14th.

The 2024 OATYC Conference will take place at
