Dear Ms. Rex:

The Associate Degree Board of Commissioners met on November 13-14, 2013, and reviewed your quality assurance report. After review, the board voted to accept your report with opportunities for improvement and provided the following comments:

The Associate Degree Board of Commissioners would like to commend you on a well written Quality Assurance Report and your efforts toward ongoing continuous improvement.

**OFI on Standard 4:** Performance measures 4, 5, and 6 need to be specific and measurable. Please state how your results relate back to specific program outcomes.

**OFI on Standard 5:** On your next QA report, please provide two additional qualifications for each ACBSP professionally-qualified faculty member.

For additional information regarding your QA Report, please see the attached commissioners' review form. Your next quality assurance report will be due **9/15/2015** and your reaffirmation is scheduled for 2019. It is not necessary to report on OFIs.

Any questions regarding the board's response should be directed to Larry Zachrich by phone at 419-966-7091 or email, [Zachrich@bright.net](mailto:Zachrich@bright.net).

We hope to see you at the 2014 Annual Conference, which is being held in Chicago, Illinois, June 27-30, 2014. Additional information will be available on our website at [www.acbsp.org](http://www.acbsp.org) beginning January 2014.
