Nursing Bachelor's Degree

Proposal to West Central Ohio
Nurse Leader

Background Information

- Ohio Revised Code (ORC) 3333.051 (2017)
- Directs the chancellor of higher education to establish a program under which community colleges, state community colleges, and technical colleges may apply to offer applied bachelor's degree.
  - In-demand field
  - Work force need in the area
  - The absence of a bachelor's degree program that meets the workforce need

New Legislation

- New Legislation pending in the state of Ohio
- Senate Bill 135 introduced by Senator Huffman
  - Enables bachelor's degree in Nursing to be offered at the community college level without the Chancellor's discretion
  - Takes out language related to duplication of services

Benefits to the Region

- Students within the 10-county service region have few options to pursue a pre-licensure baccalaureate degree
  - Wright State Lake Branch campus is the only option
  - The other four-year institutions offering the degree option are private institutions
    - Ohio Northern University
    - Findlay University
    - Defiance – BSN completion only
    - Bluffton – BSN completion
