### The Real ACT Prep Guide

**\$19.95**

The official prep book from the makers of the ACT

*Includes:*

- Three practice tests used in previous actual test administrations—each with an optional Writing Test
- Explanations for all right and wrong answer choices
- An in-depth look at the new optional Writing Test and how it is scored
- Valuable test-taking strategies for each test section: English, Mathematics, Reading, Science, and the optional Writing
- All you need to know about the ACT—formatting, structure, registration, and how colleges interpret your scores
- A review of important topics in English, math, science, and writing
- How to prepare—physically, mentally, and emotionally—for test day
