Dear Mr. Rex:

The Associate Degree Board of Commissioners met on April 15-16, 2011, and reviewed your quality assurance report. After review, the board voted to accept your report with two opportunities for improvement and provided the following comments:

**OFI:** Additional detail of analysis and action taken will be meaningful for continued monitoring of competencies.

**OFI:** Additional explanation of how analysis of results and results of action taken align with the competency would provide for more meaningful results; for example, how will the proposed peer assessment measure faculty and staff turnover?

**The QA report prepared and submitted by Michael G. Rex, Dean of the Business & Public Service Division, at Rhodes State College clearly reflects a very serious commitment toward continuous improvement. The Associate Degree Board of Commissioners congratulates you for your response to the OFI noted in your previous QA report. We wish you and your faculty continued success as you continue to pursue quality improvement.**

For additional information regarding your QA Report, please see the attached commissioners' review form. Your next quality assurance report will be due 2/28/2013 and your reaffirmation is scheduled for 2019.

We hope to see you at the 2011 Annual Conference which is being held in Indianapolis, Indiana from June 24-27<sup>th</sup>. Additional information is available on our website at [www.acbsp.org](http://www.acbsp.org).
