

## RHODES STATE COLLEGE

### Statement of Draft Registration Compliance

The Ohio General Assembly has passed Section 3345.32 O.R.C., requiring that male students who are Ohio residents, and who must register for selective service, verify that they have registered with the selective service in order to attend Ohio public colleges and universities at the Ohio resident (in-state) tuition rate.

Rhodes State College and its male students are required to comply with the provisions of this law relating to verification. Please mark the appropriate statement(s), sign your name and return this form to the Rhodes State College Admissions Office.

If you are not 18 years old at the present time, please complete and return the enclosed Statement of Draft form **after** your 18<sup>th</sup> birthday. Rhodes State College needs confirmation of your selective service number to complete your admission process.

You may register for the draft online by going to [www.sss.gov](http://www.sss.gov) and following the directions.
