PENNY WARS - MAY THE ODDS BE EVER IN YOUR FAVOR

I'm not saying "I know who's winning"....I'm just saying, if you look at Sara Ricker in the top right picture, you'll see she has a jar full of silver coins in her rebellious hand. She's been collecting them to deposit in all the other jugs! So far, the Campus Preschool has a very "light" jug. The Testing Center came to win. Admissions and Advising has a jug that is being protected by the firm hand of Rita Totty, The Bookstore is in pretty good shape with the purchasers dropping coins after their transactions. DHS has a jug that's looking pretty strong as well. You have to watch out for WEDCE - they're shaping up nicely because they're keeping their jug in a conference room - SNEAKY! Last but not least, the JJC building is colluding over there! Their jug is in room 175! All proceeds benefit The SHOP. 25¢ can buy a bottle of ketchup. 75¢ can buy 2 bottles of toilet bowl cleaner. \$5.00 can buy 40g bars of soap. \$10 can feed a family of 4 for 3 days. And all of this helps keep our students on their path to success.
