

November 3, 2011

Dear Student:

Our records indicate that you formerly attended Rhodes State College. If you have not yet reached your educational goals I would like to invite you to return to Rhodes State College. In the Fall of 2012, the College will be converting from the quarter system to the semester system. If you return to the College soon you may be able to complete your degree or certificate before this exciting transition occurs. Even if you are unable to completely finish your program before Fall of 2012, now is the time to complete as much coursework as possible under the quarter system.

The conversion to the semester system aligns the Rhodes State College with other Ohio colleges and universities. We encourage you to visit our Semester Conversion website at [www.RhodesState.edu/semesters](http://www.RhodesState.edu/semesters) for more information about the benefits of converting to semesters and to read the Rhodes State College "Pledge to Students."

The first step to completing your degree or program is to complete the enclosed reactivation form and return it in the business reply envelope that is provided. In addition to being reactivated, it is very important that you reestablish contact with your academic advisor to provide assistance with your educational plan.

Fall Quarter 2012 begins September 21, 2011. We encourage you to start the process soon to enroll in the classes you need. Rhodes State College would like to help you realize your dreams of a quality college education. "Your Tomorrow Starts Here" at Rhodes State College.

Sincerely,

Division Dean

Program Chair
