One Night a Week Business Administration Program Accepting Students

LIMA, Ohio – The One Night a Week Business Administration and Human Resource programs at Rhodes State College is accepting students. These programs provides working adults the opportunity to gain an associate degree in less than 24 months while attending classes only one night a week. The first class begins January 9, 2013, and will be held on Wednesday evenings.

The One Night a Week Program allows working adult students to stay on the leading edge of the job market and helps them complete a Business Administration Associates degree or Human Resource Associates degree beneficial to career advancement. Both degrees build students' skills to become more effective employees, supervisors, managers and leaders. Working adult students pursuing the Business Administration degree develop competencies in management, marketing, interpersonal relations and team building, financial management, information systems, and other areas.

Students begin the One Night a Week Program with a group or cohort of peers and graduate in less than 24 months. Classes meet only one night a week for a four-hour session making it easier for working adults to balance school, work and family responsibilities. The course sequence flows seamlessly and often focuses on one course at a time. This degree option has special admissions criteria.

An information session is scheduled for September 26 and October 24 at 6:00pm for those wanting to learn more about this adult-centered program. Persons interested in learning more about the program, should attend the information session or call 419-995-8010. Classes begin Wednesday January 9, 2013 and applications are currently being accepted.
