Rhodes State College is continuing its partnership with Connect Ohio and its statewide *Every Citizen Online* broadband training project.

We invite you to participate in any of the classes we list here. This **free** course includes six total hours of hands-on instruction about computer basics, such as Windows, an introduction to the Internet and email basics. This course is geared toward adults with very little or no computer experience.

**Pre-registration is required** to attend one of our **free** classes listed here. You can register by U.S. mail using the registration form below. Simply complete it and mail it to Rhodes State College, Keese 137, 4240 Campus Drive, Lima OH 45804. Or, register by calling April at:

# 419.995.8406

Connect Ohio is a non-profit, public-private partnership whose mission is to see all Ohioans connected to the benefits of high-speed Internet service.

**Winter Weather!** If you are scheduled for a class and the weather is less than ideal, make a point to check that class is still in session. Campus closures will be announced on local TV and radio stations and at [www.RhodesState.edu](http://www.RhodesState.edu). We will also attempt to call if time permits. And feel free to call us!
