- All New Students will receive an invitation to New Student Welcome Day in September. This event, held on a Sunday afternoon, is a celebration of you and your decision to attend Rhodes. You can buy your books this day, talk to faculty and staff, explore campus, and eat a hot dog or two!
- The Follett Bookstore is located on campus. You can also buy your books online at www.follett.com
- Once the quarter begins you will receive notification regarding when to get your Student ID card. This card will include your picture and your Student ID number.
- BE SURE to activate and check your Rhodes State Email Account. Official information and updates will be sent to you via this account.
- Explore Student Activities and Athletics. A lot of great things happen outside the classroom. We want you to become involved on campus and enjoy your Rhodes State Experience.
