

## Part 137 Worksheet

1. What is the purpose of Part 137?
2. What is considered an Economic Poison?
3. What is the specific part that requires an exemption for operating a drone under 55 pounds for spraying chemicals?
4. What does part 137 allow us to spray in agriculture?
5. Can you spread cover crop seed without Part 137 authorization?
6. Find an example of a petition for exemption on the FAA website. Each will state a specific set of regulations that it is desiring exemption from. For the example you find, please list these below.

7. List at least 3 other parts of the petition.

8. Besides the petition, what other documents are required to submit?

James A. Rhodes State College
