

# RHODES STATE RHODESOLOGY YOUTH PROGRAMS

## Mini Camps Schedule

### Grades 2-4: Independent Mini Camps

#### All Things SLIME!

**November 16, 2024**

Hey there, all you slime enthusiasts! Let's come together to create a variety of fun and exciting slimes - from oozy to gooey, sticky to smelly, and yes, even edible! You'll get the chance to learn new techniques and ways to play with all sorts of cool concoctions and ingredients. Just a heads up - this camp is guaranteed to be loads of fun and may get a tad messy!

Camps are held  
at Rhodes State College  
10 am - 12 pm

#### Cost:

Individual Events

\$39 per person

TEAM Events

#### Drawing Bootcamp

**January 25, 2025**

Unleash your creativity with some fun drawing activities! In this two hour adventure we will dive into a variety of drawing techniques:

- Crumpled Paper Stained Glass
- Geometric Shape Drawing
- Perspective and 3D drawing
- Grid Drawing
- Vortex Drawing

Join us and explore your artistic side!

#### Team Mini Camps

**March 29, 2025**

Parent (Guardian) & Child  
TEAM - STEM Mini Camp  
- Electrical Circuits

Join us for a fun and interactive mini camp where we will dive into the world of electrical circuits! Get hands-on experience with basic engineering, electronics, and circuitry concepts as we build components together. Then, bring your creation to life with conductive and insulating dough!

Collaborate with your partner to tackle problems, explore engineering principles, and unleash your creativity. It's going to be a blast exploring the electrical side with us!

\* This is a Partner event - one child and one guardian must be present in order to participate.

#### Summer Camps
