

YOUR SUPPORT BENEFITS RHODES STATE STUDENTS

I am honored to have been one of the recipients to receive the scholarship which you have so generously supported. This scholarship will help me in my journey as I pursue a degree in nursing at Rhodes State and beyond. The money I have been awarded through this scholarship gives me the opportunity to earn valuable skills that will serve me through my college career. Once again, thank you for your support.

Cassandra Billings
Dr. Norman & Margaret Browning Scholarship

I am grateful to be a recipient of the Memorial Scholarship! I am currently studying in the Occupational Therapy Assistant program and plan to graduate in the Spring of 2022. I am also working two part-time jobs and this scholarship will help to relieve the stress of attending college and working at the same time! Thank you again for gifting me this scholarship.

Erica Uhlenhake
Memorial Scholarship

I want to thank Rhodes State and its Faculty and Staff for awarding me the Rhodes State Faculty and Staff Student Scholarship. It means so much to me that the people at Rhodes see something in me and believe in me enough to help pay for my education. I wouldn't want to go to any other college. Thanks again for all of your support.
