

TM/TAG COURSES

TM (Transfer Module) approved courses (Ohio Transfer 36) are general education courses that are guaranteed to transfer from one Ohio public college or university to another.

TAG approved courses (Transfer Assurance Guide) are discipline-specific courses that fulfill major, minor, or other program requirements at all Ohio public colleges and universities, typically the first year of a bachelor's degree. Some courses are identified as both TM and TAG.

In addition, the Ohio Transfer 36 (TM) is a complete block of general education courses common among the Associate of Arts (AA), Associate of Science (AS), and bachelor's degrees. Therefore, the TM provides students a guaranteed opportunity to transfer courses either on an individual basis or as a block. For more information please contact the Office of K-12 Partnerships at 419-995-8334.

COLLEGE CREDIT PLUS PATHWAYS

Qualifying CCP courses are divided into two levels: ▶ ▶ ▶

Level 1: College Credit Plus students must start with Level 1 courses for their first 15 credits. These are courses for students who haven't completed at least 15 transferable credit hours, courses that apply toward a certificate/pathway/study skills and/or academic success courses, and courses in computer science, info technology, anatomy/physiology, foreign language or American Sign Language.

Level 2: Once students have completed 15 hours of college credit, they can enroll in any course that is not on the 'non-allowable' list. Enrollment in Level Two courses will be based on prerequisites and course availability.
