# 2018 Outstanding Alumni ~ Roni L. Height

The 2018 Rhodes State College Outstanding Alumni Award recipient was Roni L. Height, who had a prestigious career in Corporate Tax Accounting. She earned an Associate of Applied Business in Accounting from Lima Technical College in 1977, continued her education with a Bachelor of Science and Master of

Science in Accounting from the University of Houston, and became a licensed CPA. She considers her associate degree to have been “the springboard to my successful business and personal life.”

For almost forty years, Height held positions with oil and gas companies including Marathon Petroleum Company and Texaco, expanding her responsibilities and leading to significant tax savings for each company. After Texaco merged with Chevron, she was

promoted and relocated to Chevron’s corporate office in California. Her responsibilities included managing state and federal partnership income tax compliance with audits of 350+ partnerships. Since retiring in 2016, Height completed a contract merging SolarCity Corporation solar panel partnerships into the financial systems of Tesla Inc.

“My community efforts combined career and community activities,” states Height. While living in Houston, Texas, she assisted in establishing dozens of nonprofit community and charitable, tax-exempt organizations to build parks and improve neighborhoods. Upon moving to California, she assisted low-income citizens with their tax returns and served on a municipal advisory council. In 2017, the Tax Executive Institute, San Francisco Chapter honored her with its Meritorious Service Award for outstanding service.

The 2018 Outstanding Alumni Award was presented during the 48th Rhodes State College Commencement on Saturday, May 5, 2018, at Veterans Memorial Civic Center in Lima.

In 2007, she earned a Bachelor of Business Administration from Mount Vernon Nazarene University. A long-time employee of Mercy Health-St.

Rita’s, Mary is currently the Manager of Mercy Health St. Rita’s Occupational Health. She is responsible for the operations of the main office plus satellite locations. Previously, she served as Director of Cardiopulmonary Ancillary Services, overseeing the areas of Respiratory Care, Pulmonary Function, EKG Lab, Sleep Center, Audiology and EEG Lab.

Demonstrating her commitment to Rhodes State College, Mary serves on the Respiratory Care Advisory Committee, 13 years as the chair, has worked with students as a clinical instructor and taught classes. She has also served as the Northwest District representative, secretary, and president of the Ohio Society for Respiratory Care. She has worked tirelessly to bring new and state-of-the-art medical treatment to St. Rita’s and the Lima area community. She lives the Rhodes State College mission by becoming a life-long learner herself and bettering her community.”
