DOT Hazardous Materials Regulations Awareness Training

WORKSHOP

May 23-25

8 am - 5 pm

Rhodes State College

JJC Engineering and Technology Building, Room 140
4240 Campus Drive, Lima, OH 45804

For employees involved in DOT HazMat Shipping, Receiving and Handling 24 hours in accordance with 49 CFR § 172.704. To ensure a basic knowledge of DOT MazMat Regulations and be prepared for the workshop, participants are recommended to complete 16 hours of online coursework prior to the start of the workshop.

Class size is limited 20 students, so act fast.

REGISTRATION DEADLINE: Friday, May 12, 2023

Social distancing guidelines will be adhered to during the length of the workshop.

This workshop is offered with the U.S. DOT PHMSA HMIT grant support to the National Partnership for Environmental Technology Education (National PETE). Per the grant, government employees ARE eligible to participate in this program.
