

THE GAME PLAN

Scoring with Rhodes State CCP

February 2025

GAME ON Summer & Fall Registration

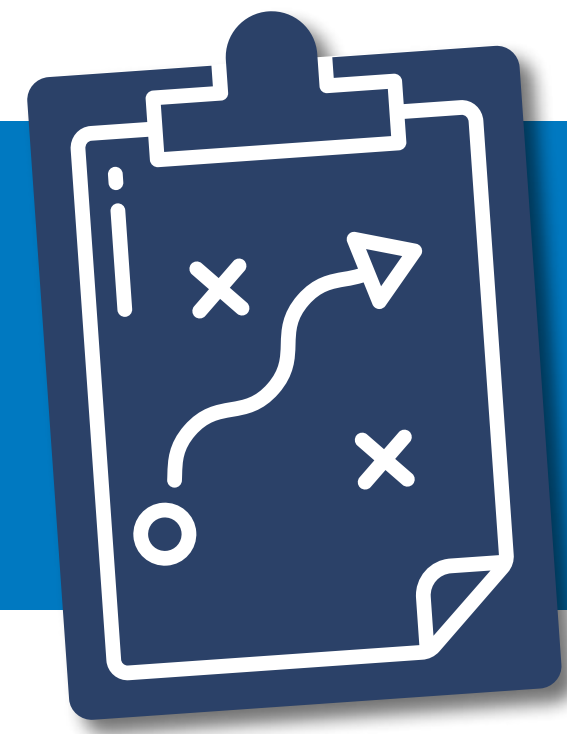

Mark your calendars—March 24th is the big kickoff for Summer and Fall registration! If you're planning to take courses on-campus or online, make sure your high school guidance counselor sends us your transcript at the end of the year, unless registering for summer classes.

- **Summer and Fall Registration begins March 24th**
- **Fall Semester begins August 25th**

To register for classes, email your advisor the following information:

- First and Last Name
- Class Information from STARS (CRN, Subject, Course, Section)
- Student ID (R00xxxxxx)
- The High School You Attend
- Current Year in School

Don't sit on the sidelines—get registered and get ahead!

Private & Homeschool Students SECURE YOUR FUNDING!

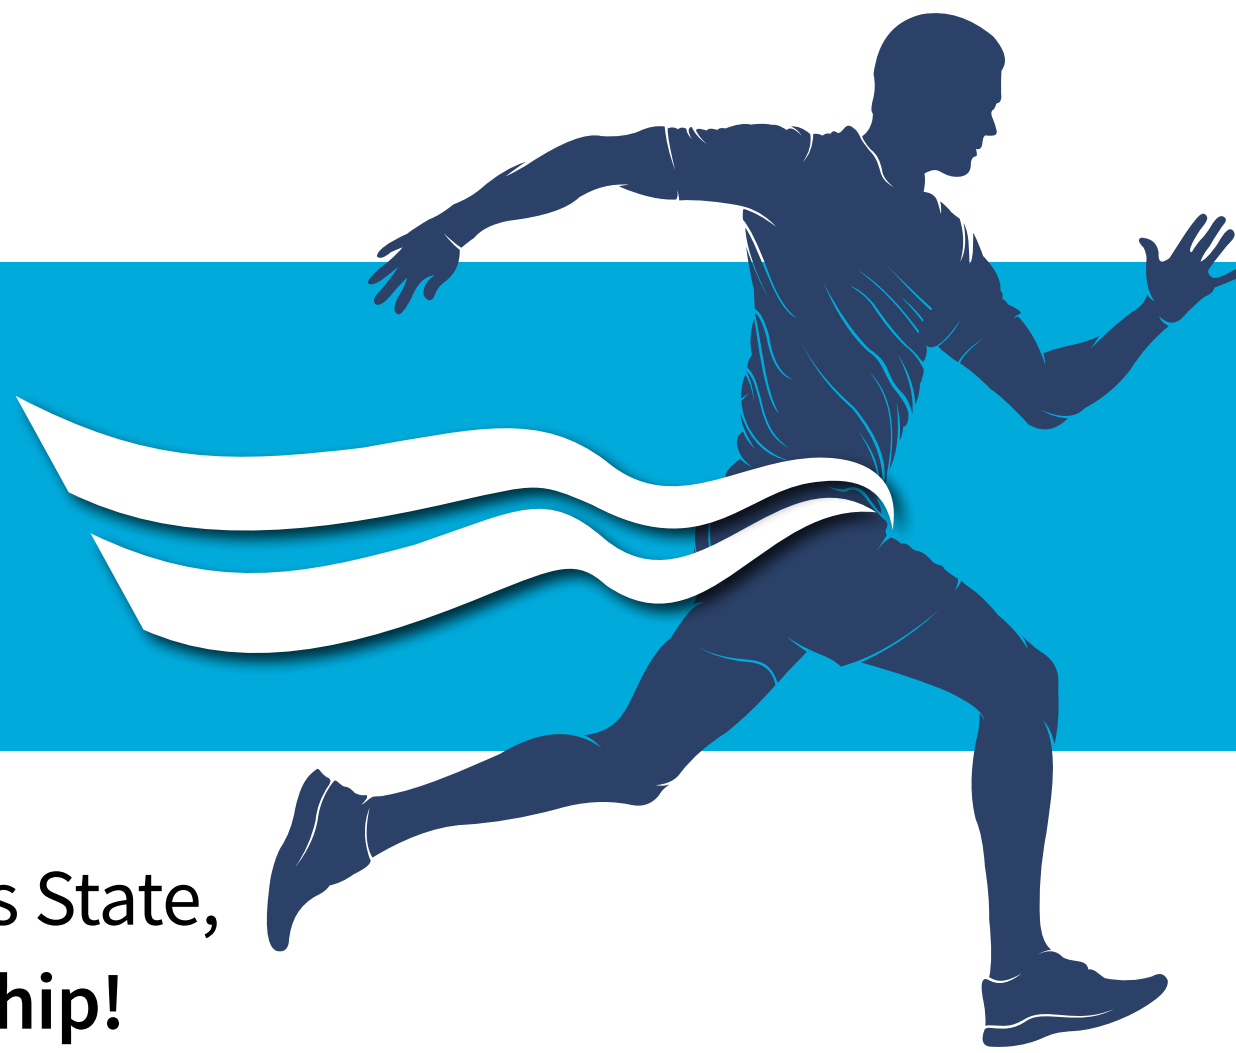

The application for state CCP funding is now open!

Check out the Ohio Department of Education and Workforce page for the play-by-play on how to apply.

NEXT PLAY

If you're applying for external scholarships and need a copy of your acceptance letter, email your CCP Pathway Advisor!

Transferring credits to another institution? Be sure to order your official transcripts **after** your final grades have been posted for the semester.

Join the Discovery Series: EXPLORE YOUR FUTURE!

Get off the bench and into action with the Career Discovery Series at Rhodes State!

These program-specific visits offer hands-on experiences with instructors, a campus tour, and insights into the enrollment process. Some visits will be hosted at main campus, while others will take place at the Borra Center for Health Sciences in downtown Lima.

SPOTLIGHT

Edwina Hatzetos

Having worked in K-12 education for many years, Edwina transitioned to higher education in 2013 and joined Rhodes in 2019. As a non-traditional student, she earned her associate's degree in accounting from Northwest State Community College, her bachelor's and master's degrees from Bluffton University, and her doctorate from Trident University. Edwina loves having CCP students in her accounting and economics courses because they offer different and enriching points of view. They bring an energy and vitality that is inspiring.
