Make a Difference All Year

A Rhodes State student recently wrote a thank you saying, “Thank you for awarding me the Rhodes State College Foundation Scholarship. I feel very honored and grateful for this support. This will help me work towards my career goal of becoming a Nurse. For me, this scholarship is not just about the money. It also means that someone believes in my potential and hard work. This support motivates me to keep working hard and achieving my goals. Thank you again for this incredible opportunity. I promise to make the most of it and to work hard in my studies.”

By choosing these packages, you will remind Rhodes State students that they are worthy of our belief in their abilities to make a positive impact in our communities.

Each year, an award will be given to a student based on the scholarship fund’s interest earnings. You may opt to pay for this Package over a period of three years.

55 Club Package Item # 2 \$5,500

The Rhodes State College Foundation currently has 55 endowed scholarship funds, supporting every student major and reaching multi-cultural students, underserved populations, and unique student situations. By choosing this package, your gift would support every one of these scholarships with a \$100 gift, totaling \$5,100.

“Give a Year” Package Item # 3 \$1,104

The ability to build relationships with students is one of the best qualities of our staff and faculty. But, in doing so, there is often deep need discovered within our student community. Rhodes State has taken action to meet student need in ways that go beyond academics that can impact health, wellness, and family dynamics. Below, you will find packages that will aid in meeting food, hygiene, and emergency needs of students.

A Semester for The SHOP Package Item # 4 \$1,200

It’s hard to study when you or your family is hungry. The SHOP (Supplies Helping Our Peers) meets the food, hygiene, and basic needs of our students and colleagues as our community’s food pantry. Each month, SHOP volunteers work with community resources and partners to make \$300 cover the need presented by students and staff. Your help could fund the The SHOP for an entire semester.

Stand in the Gap Package Item # 5 \$1,000

Every once in a while, a student will meet a financial circumstance when it seems like the only option is to quit school. This package makes perseverance possible. Bundle a textbook voucher, SHOP supplies, and a donation to our student emergency fund so students can pay that unexpected bill, be classroom ready, and take home food for their family.

According to a recent study by The Hope Center at Temple University, nearly 1 in 4 students at community colleges experience food insecurity. This is a higher percentage than students at 4-year or graduate institutions. To date, The SHOP, Rhodes State’s Food Pantry, has served over 211 student families with over 8,400 pounds of food plus \$9,900 in transportation assistance.
