

How to Create Your Passkey

Sign in to your school account **Security info** at mysignins.microsoft.com/security-info

Choose **Add sign-in method**.

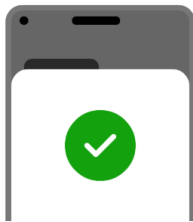

Select **Passkey**

Click **Next**

Sign in faster with your face, ×
fingerprint, or PIN

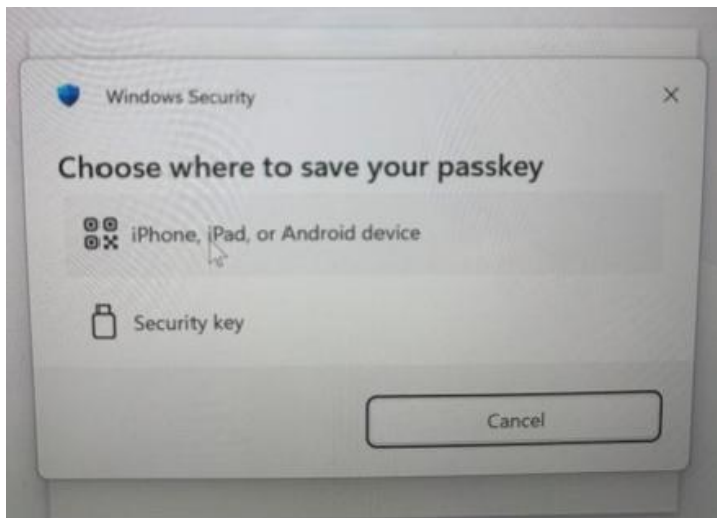

Create a passkey to sign in to your account. No apps, passwords, or codes needed.

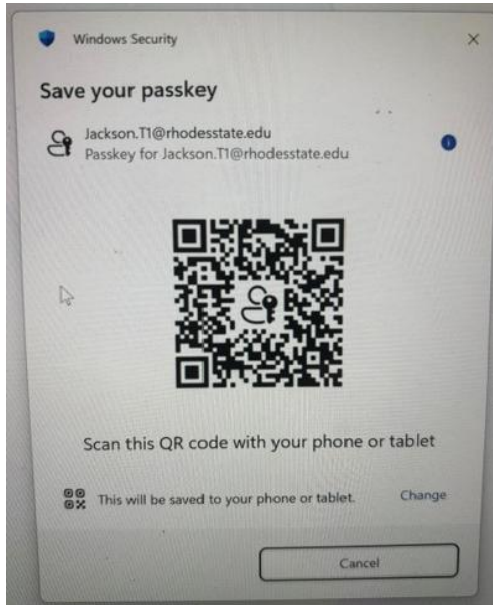

Back

Next

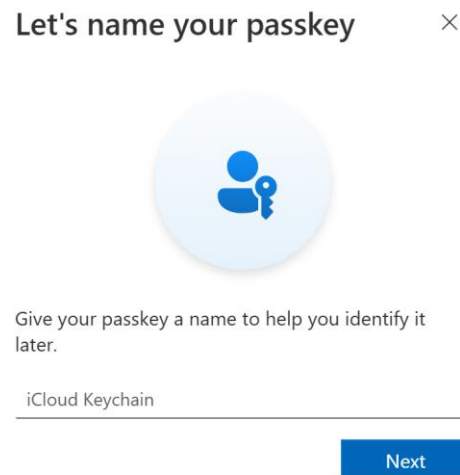

If creating a Passkey from a laptop or computer, Click on **iPhone, iPad or Android device**

Scan the QR code with your device (**do not scan the below QR code. Scan the code that is displayed on your screen**)

Your passkey should save and will then prompt you to give it a name.

✔ Passkey created

You can now use your face, fingerprint or PIN to sign in to your account.

Done

When prompted to login/MFA, you can now select the option to use your passkey for a faster, more secure login.
